

## **My Love Is a Weak and Inconsistent Thing**

*March 22, 2013*

My love is a weak and inconsistent thing,  
too feeble, and too frail. It is no good,  
that here, it seems, fit fare of which to sing  
my love is; a weak and inconsistent thing  
deserves not this. And yet I have a ring,  
and it shines - even though 'tis understood  
my love is a weak and inconsistent thing,  
too feeble, and too frail - it is no good!
